Invincible Promotions
Proudly Presents

"UNDISPUTED"

Saturday November 6th 2010 @ The Luna Park Big Top

Invincible Promotions is proud to present "IMMORTALITY 3 – UNDISPUTED" the largest and most sort after kick boxing show in NSW. Once again, promoters Stuart McKinnon & Reinhard Badato are bringing the biggest names to NSW fight fans. Current W.B.C World Champion Steve McKinnon will be defending his title against Edwardo Maiorino from Brazil.

Steve McKinnon is in fine form with a string of wins, recently defending Thor Hoopman and Paul Slowinski in slug matches to make even the hardest of fight fans cringe! Steve's stepping up again to defend his title and won't be leaving anything in the corner.

Edwardo has fought in K-1 tournaments with the likes of Ernesto Hoost, Rick Rufous and Ramazan. With a fight record of 57F 40W he is definitely coming down under to take the belt back to Brazil and knock Steve McKinnon off his 95kg throne!

IMMORTALITY Begins brought prestige to Kick Boxing & Muay Thai for the first time in Sydney in November 2009. The May 2010 show brought anticipation, excitement and was awaited by many, the fights were breathtaking and gave the promoters kudos and praise from the NSW fight fans for a spectacular show. "IMMORTALITY 3 – UNDISPUTED" is set to rock the new venue stadium once again, and, with a back drop to the beautiful Sydney harbor what more could you want?

IMMORTALITY "UNDISPUTED", holds nothing back.
